Just the Tonic

WELCOME COMRADES

WELCOME TO THE BATTLEGROUND THAT IS EDINBURGH FRINGE FESTIVAL

Come forth through the throng of foot soldiers firing endless assaults of propaganda containing selected and self-serving opinions on the content of performances. Often hidden from view are the excessive costs of attendance or the commercial interests of corporate management. These are some of the dangers concealed within the Edinburgh Fringe Festival.

Come forth to Just the Tonic and find salvation. Through group strength we offer a multitude of experiences to the world-weary and the ever hopeful alike.

Within the bosom of Just the Tonic you will find a plethora of shows. Ranging from the conventional ticketed arrangement, through to the totally free, via the latterly adopted PWYW.

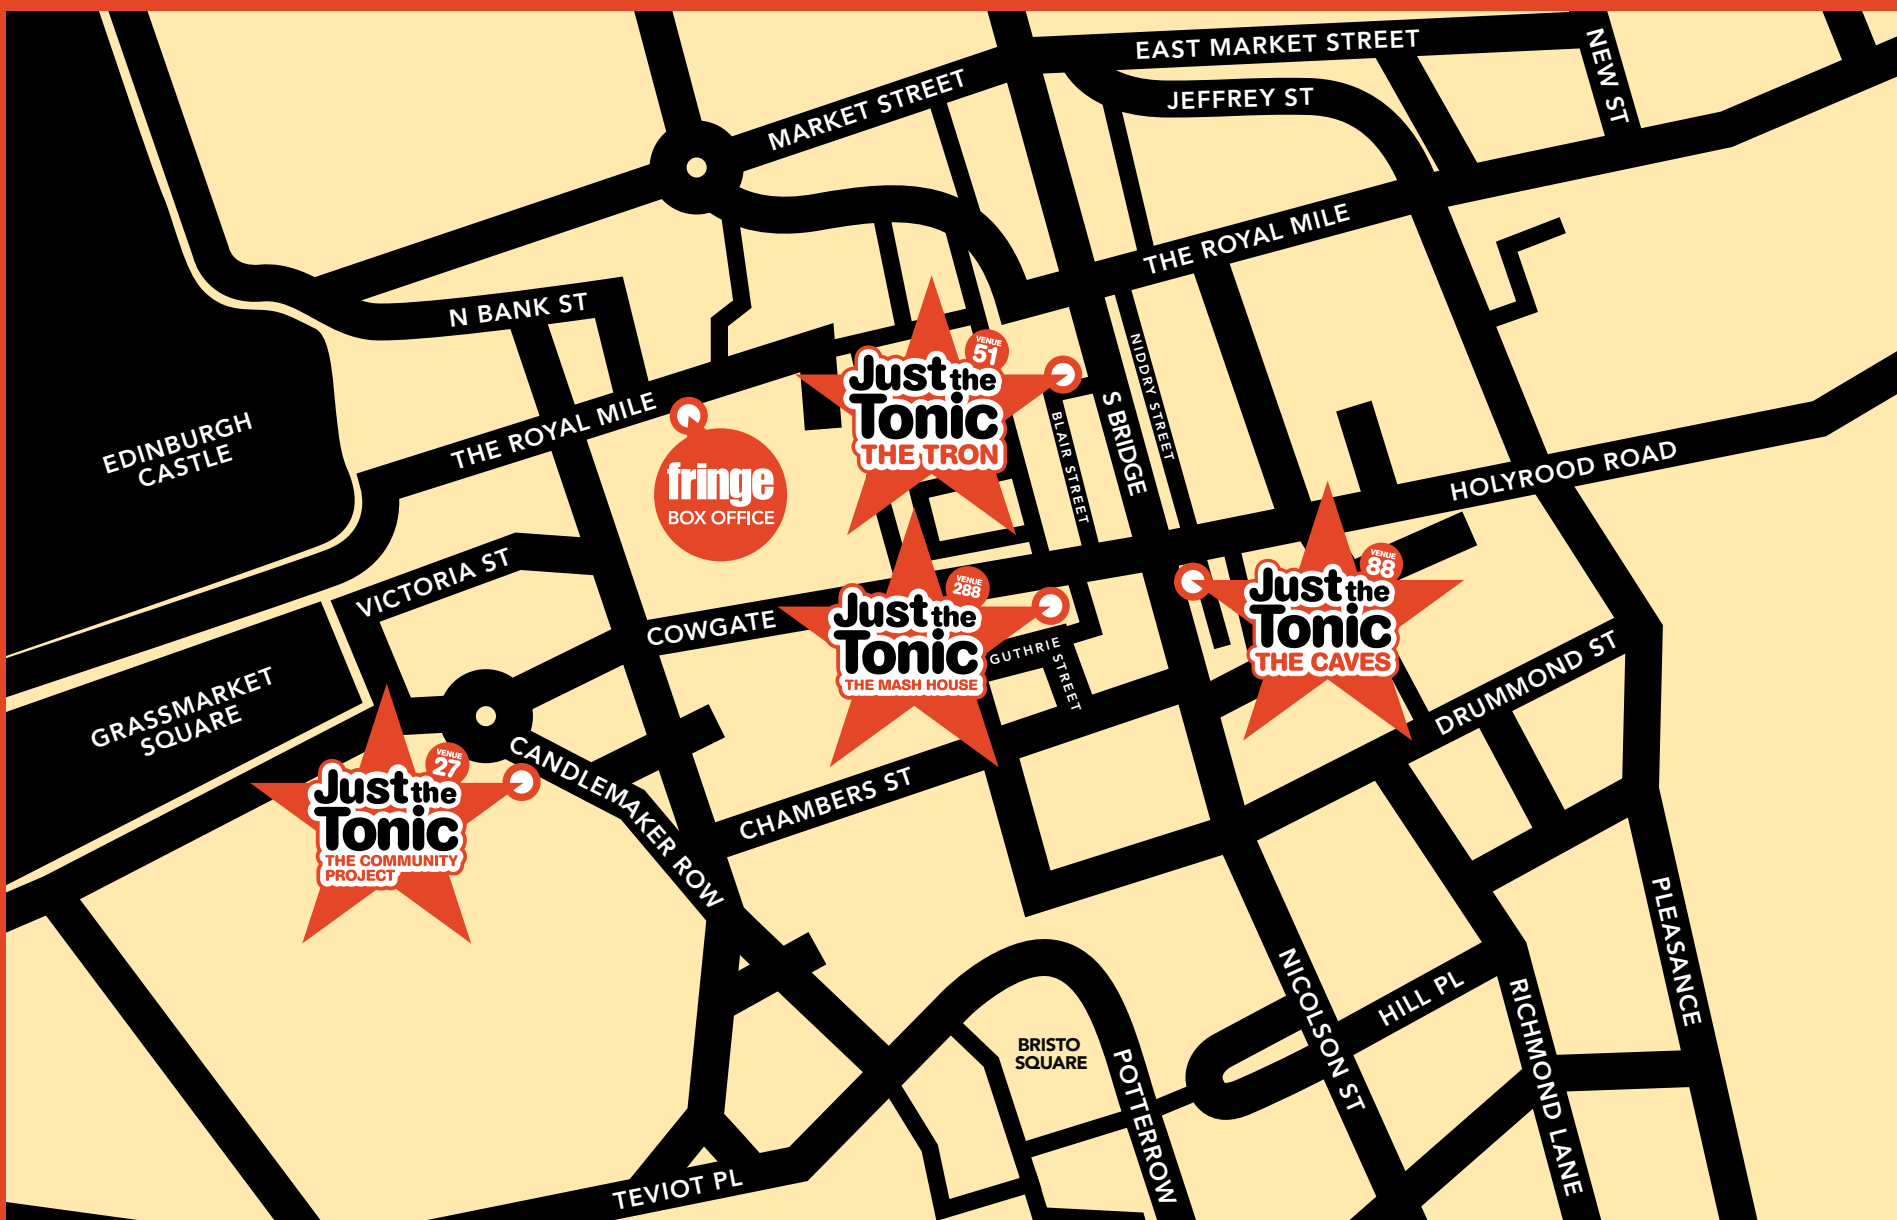

On arrival find solace within our bars, and experience jubilation with agreeably priced libation dwelling within.

Our undertaking is to regale you. Our aim is to captivate you and hold you captive by our endeavours.

Read within this tome and find distraction from the fabrications elsewhere.

Just the Tonic is good for you.

NAV BREW

The finest quality ingredients, superior brewery methods and state-of-the-art equipment are used to produce their beers. Their ethos is to create the finest cask ales and exciting craft keg beers, which fans of all types of beer enjoy.

ENGLISH REBEL
~ PILSNER 4.5% ~

NAV BREW

In a world of bitter men and mild manners, English Rebel ruffles a few feathers. This light Pilsner is lagered using time-honoured methods and stands openly defiant of English ale etiquette, mocking the pomposity of his so-called betters.

AMERICAN SAVIOUR
~ AMERICAN IPA 5.2% ~

NAV BREW

Make way, the big man from east of The Rocky Mountains is here to save those poor, huddled masses from weak and inferior brews. This west coast style IPA packs a mean punch with a payload of citrus hops and a cutting edge flavour that's just runnin' through your rock 'n' roll soul.
