# WELCOME COMRADES

ENTER INTO JUST THE TONIC TO FIND UNITY, JOY AND INNER WELL-BEING.

---

**WE EXHIBIT OVER 130 SHOWS, EACH PREACHING IT'S OWN VERSION OF MIRTH AND ENTERTAINMENT.**

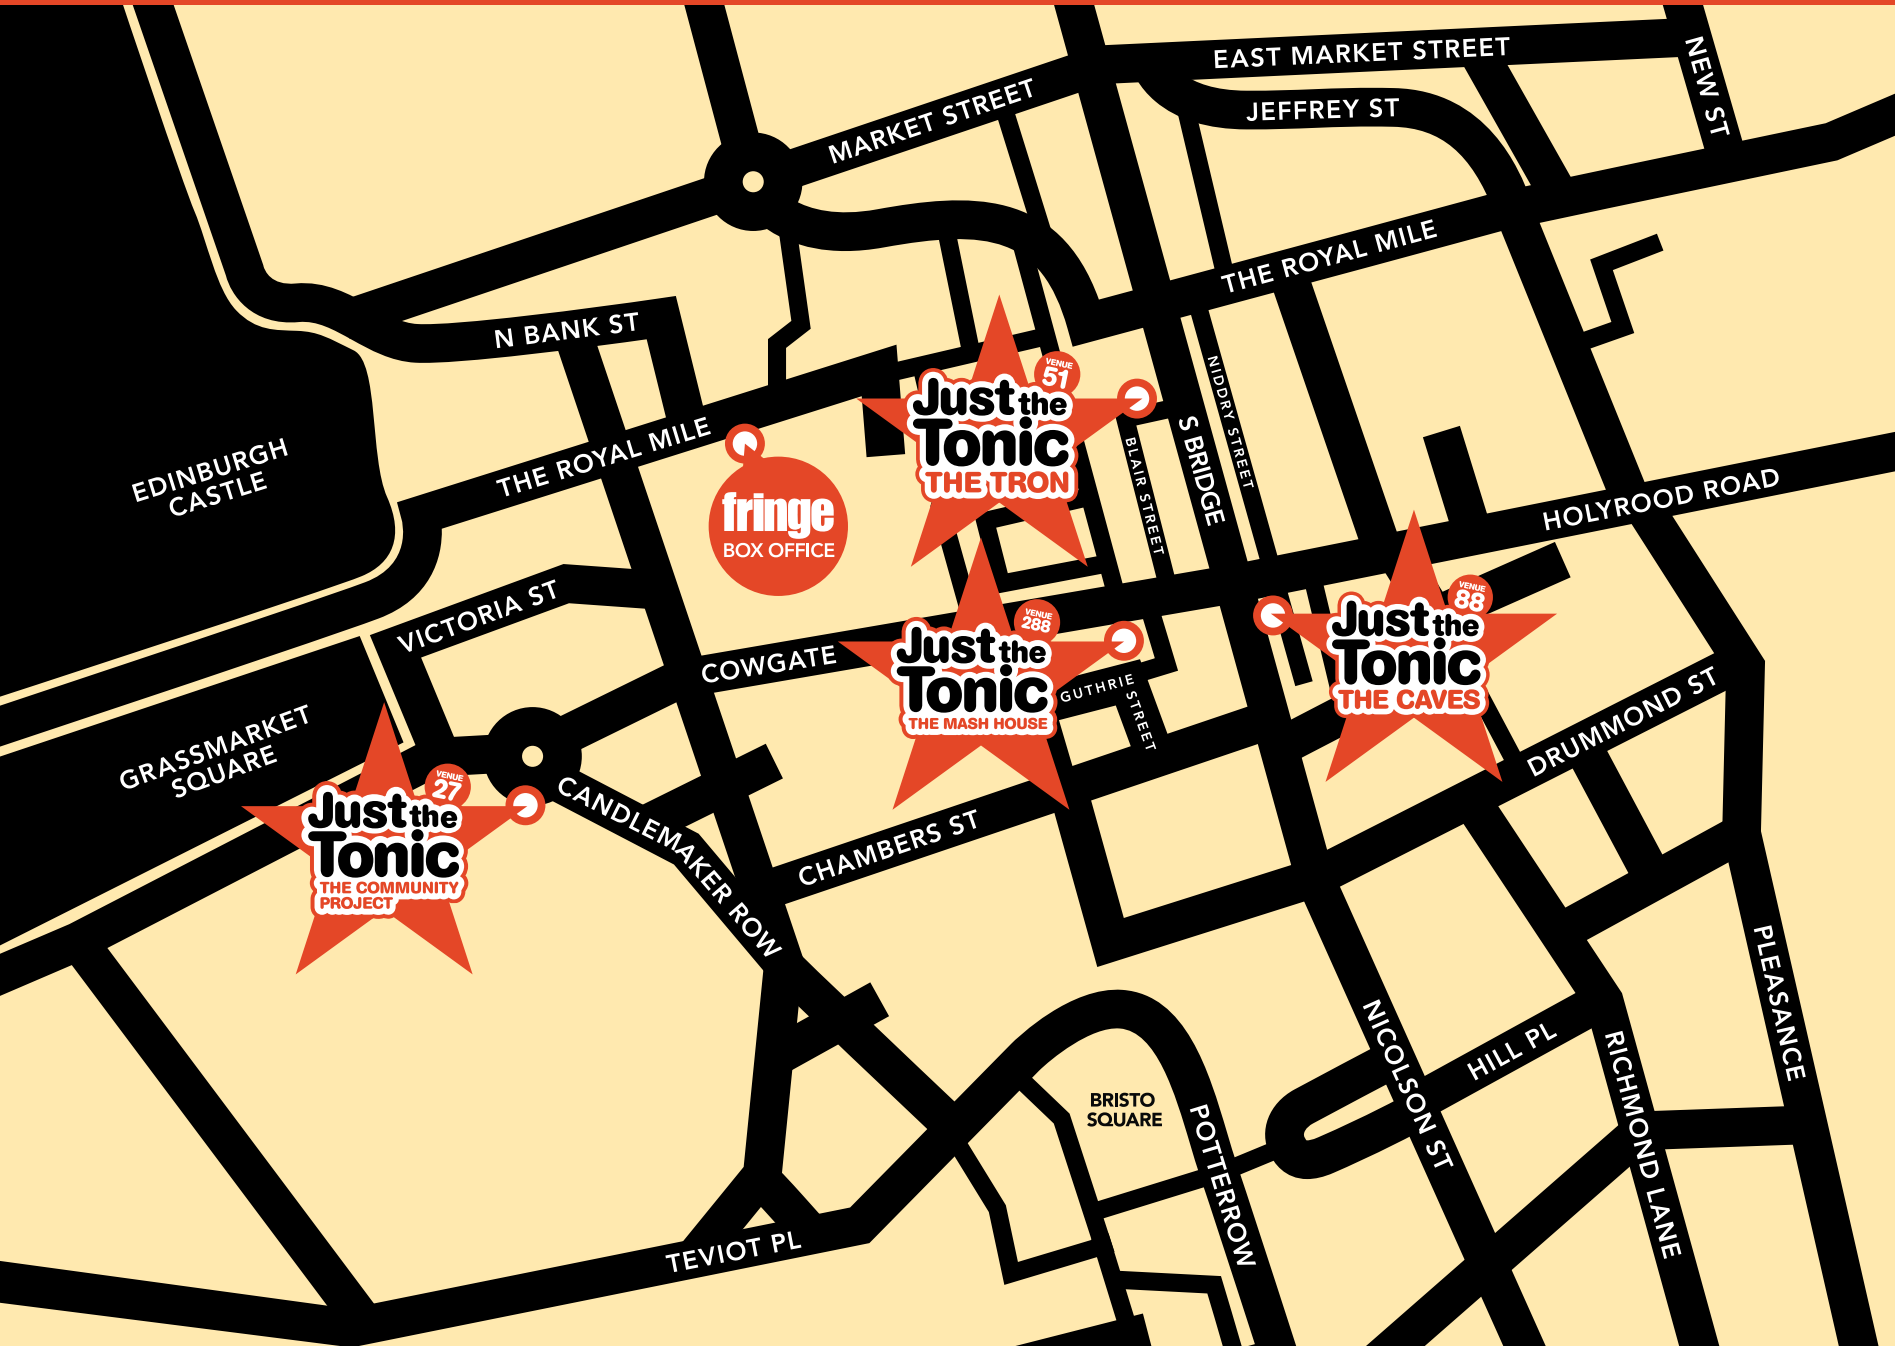

When you enter our venues we request that you relinquish any worries at the door and allow yourself to be lost and distracted. We suggest you give yourself fully to the cause. Only through a total loss of the self and your ego can you fully reach the higher

conscious state that can be truly achieved through laughter. The limitations imposed upon the mind by the constructs of modernity and the desires instilled through capitalism will temporarily be removed as you are taken to the natural human state of bliss. If you can't do that and think that is a lot of mumbo jumbo, then just grab a drink or 2 and try and relax a bit. That's what I do! There's loads of stuff on. It is all pretty reasonably priced. We want you to have much much much fun!
